RESOLUTION OF ZONING ORDINANCE AMENDMENT RECOMMENDATION

WHEREAS, the Common Council of the City of Fort Wayne, Indiana, on August 10, 1982, referred a proposed zoning map amendment to the City Plan Commission which proposed change was designated as Bill No. Z-82-08-08; and,

WHEREAS, the required notice of public hearing on such proposed ordinance has been published as required by law; and,

WHEREAS, the City Plan Commission conducted a public hearing on such proposed ordinance on August 16, 1982;

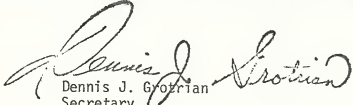

NOW THEREFORE BE IT RESOLVED that the City Plan Commission does hereby recommend that this ordinance be returned to the Common Council with a DO NOT PASS recommendation based on the Commission's following "Findings of Fact":

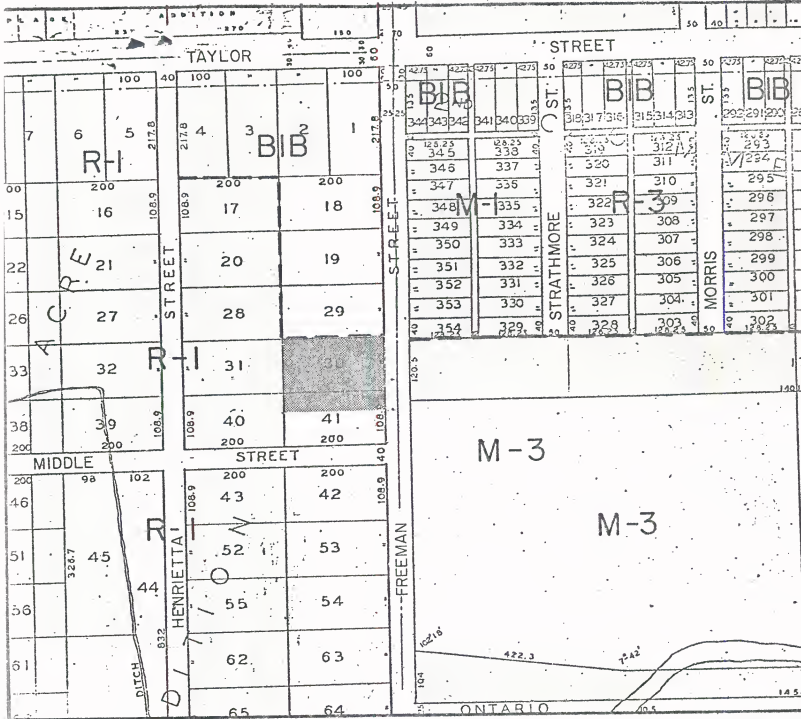

- (1) the grant will be injurious to the public health, safety, morals, and general welfare of the community;
- (2) the use or value of the area adjacent to the property included in the rezoning will be affected in a substantially adverse manner;
- (3) the need for the rezoning does not arise from conditions peculiar to the property involved and the condition is not due to the general conditions of the neighborhood;
- (4) the strict application of the terms of the zoning ordinance will not constitute an unusual and unnecessary hardship to this property;
- (5) the grant interferes substantially with the comprehensive plan adopted under the 500 series of the metropolitan development law; and,

BE IT FURTHER RESOLVED that the Secretary is hereby directed to present a copy of this resolution to the Common Council at its next regular meeting.

This is to certify that the above is a true and exact copy of a resolution adopted at the meeting of the Fort Wayne City Plan Commission held August 23, 1982.
